Dear Sir:

Your note of the 17th is at hand and I take pleasure in sending you herewith an application card for Associate Membership. There will be no meeting of the Council until the fall, unfortunately, but by qualifying at that time you will be able to receive the publications for this year, and you, of course, will not be expected to send a remittance until after the Council has acted. If you are acquainted with any of the members of our Society, it might be well to mention that fact.

Dear Sir:-

Enclosed is the application for an Associate membership in the A.S.S.

I do not know any of the members of the Society personally but have had dealings with some of them. Several years ago I bought a number of coin publications & books from Mr J.C.C. Boyd and Mr. Ted Merritt,

A few weeks ago I bought the library of Robert Earl, Herkimer, N.Y. in which I obtained a set of the Journal and The Monographs.

In fact that is why I decided I'd like to become an Associate, in order to continue getting the publication, for my chief hobby is the collecting of books & publications pertaining to coins.

Very truly yours,  
R.L. Caldwell.

Dear Sir:

Your note of the 19th is at hand and your application will be presented at the next meeting of the Council. I note what you say about having acquired the library of Mr. Earl. If his set of the Journal is not complete it is possible that we might be able to supply any numbers that may be missing, although some of the earlier ones are out of print. If there are any other titles that you desire, this may be one of the ways wherein we can be of aid to you.

Very truly yours,

Dear Sir:

In your letter to me last June, when I requested an application for Associate Membership in the American Numismatic Society, you stated that if I qualified for membership in the fall I'd receive the publications for the entire year.

My application was accepted, and my remittance mailed at once, but to date I have only received Monograph #49, altho I believe several were issued this year.

If I am really entitled to these issues will you please see that I get them.

Yours very truly,

Raymond L. Caldwell.
